

## **JCC Named Construction Manager for New Christian Fellowship Church in Litchfield**

Jobin Construction Consultants was hired by Open Doors Christian Fellowship Church To be their Construction Manager for the new 4,000 s.f. Church. JCC was also asked to oversee and manage the permitting and design process to ensure the project schedule and budget was maintained.

The project was designed by Dennis Mires, the Architects. The new church includes a large worship hall, parish offices, and classroom spaces. The worship space included a cathedral ceiling and a great deal of natural light from several windows. In the gathering hall, a large cupola allowed natural light to fill the space.

The property includes several areas for outdoor social events to be held. The construction schedule for the project was 6 months.
